

The Switch Witch

Have you heard of the Switch Witch?
She's hungry, fierce and fat!
She's on the hunt for candy
To feed her naughty cat!

She likes the brightest lollipops
The green chews and the blue
And if you have some bubblegum
She'll really want that too!

After trick or treating
Pick out some things to keep
And then put in a bucket
Sweets to swap in your sleep!

Only when you're snoozing
The Switch Witch will drop in
She'll take out all the candy
And who knows what she'll put in!

You might wake up and find a toy
Maybe some clothes to wear?
Something for your piggy bank?
Or a funny game to share!

So give the witch your brightest treats
For her cat instead
And in the morning you will find
A Switch on your bed!
